REMARKABLES LODGE

QUEENSTOWN • NEW ZEALAND

GETTING MARRIED AT REMARKABLES LODGE

Queenstown and its surrounding area is the most perfect place to get married. The stunning scenery of alpine and glacial lakes and the Remarkables mountain range makes the ideal backdrop for your exceptionally special day.

Ceremony

The ceremony can take place in our lovely gardens or inside the lodge, either way the setting is stunning and the space can be tailored to small intimate groups or larger weddings of up to 30 people. Alternatively take a helicopter from the lodge grounds to the summit of Remarkables Mountains and be married at the top of the world.

Accommodation

The lodge can accommodate up to 14 guests in seven rooms plus additional guests attending the ceremony and wedding reception. We can take up to a maximum of 30 guests but the lodge is equally suited to small intimate weddings.

Cuisine

The lodge chef is able to cater for your wedding as either a formal seated meal or a finger buffet depending upon your requirements and is happy to discuss any specific preferences that you have. Whatever your choice you will be delighted with fresh local ingredients crafted into appetising dishes.

Wedding Suite

The wedding suite is situated in the garden and has a separate sitting room and bedroom plus a spa bath. Many couples enjoy a private candlelit dinner in their suite either on the eve of their wedding or the day after.

Getting married in Queenstown is easy and below is some useful information to help with your wedding plans.

Celebrants

In New Zealand you must be married by a registered marriage celebrant. This may be a Registrar of Marriages, a civil marriage celebrant, a minister of a church or a person connected with an approved organisation. We work with celebrants who are sensitive to the needs of each couple and work with you to determine the type of service you would like to have.

Marriage Licence

To get a licence, you will need to complete an application form, we can send this to you prior to your arrival in New Zealand.

If either of you have been married before, and the marriage has been dissolved, you will be asked to produce evidence of the dissolution (e.g. Divorce/Dissolution Order).

You do not need to apply in person, we can do that for you on your behalf. The application form takes 3 working days to process. On arrival in Queenstown you will need to make a statutory declaration in person at the District Court you are then able to get married from the same day.

Hair and Make-up

There are fabulous places in Queenstown to get your hair and make-up done professionally on the day of your wedding as the town operates 7 days a week. Alternatively we can arrange for this to be done privately in your room at the Remarkables Lodge. There are also wonderful day spas where you can both treat yourselves to spa treatments, massages, manicures and pedicures either on or prior to the big day.

Photographers

With a range of photographers in the area it could be difficult to decide which one to use, however *Dinamics* has extensive experience in working together with our clients to understand exactly what they want their photos to capture. We can therefore ensure that we recommend a photographer that not only fits within your budget but also fulfils your brief.

Flowers

With 4 distinctive seasons and great supplier networks for both native and international flowers, the florists in Queenstown always have the freshest flowers in season. Add that together with their artistic flair and your brief and you will have your perfect flowers for your wedding.

Our gardens are also beautifully decked with flowers throughout most of the year making a lovely backdrop to photographs as well as a source of flowers for button holes, hair etc..

Cake

From a traditional tiered fruit cake to a modern chocolate creation and anywhere in between either the professional celebration cake makers in Queenstown will create, bake and decorate the perfect wedding cake or our resident chef will be happy to bake a cake for the occasion.
