REMARKABLES LODGE

QUEENSTOWN • NEW ZEALAND

REMARKABLES LODGE WINTER COLLECTION

Autumn in Queenstown treats us to a stunning show of colours with settled weather and new views appearing as the trees shed their leaves.

Winter brings clear blue skies, crisp mornings and warm afternoons, snow capped mountains and the full array of Queenstown's all year round activities, plus the added bonus of downhill and cross country skiing and boarding as well as ice skating and snowmobile trips.

Winter Festival the last week of June packs over 60 events in to a week of indoor and outdoor entertainment.

Even Milford Sound is at its best with it's lowest rainfall months in winter, making sightseeing flights more likely to run. And with fewer crowds all the local activities are more available.

With so much to see and do, hot mulled wine and toasted marshmallows around the outside fireplace mark an end to a fine day.

To encourage visitors to take advantage of our lovely winters we have introduced 3 nights for 2 winter room rates compared to our summer rates and have designed a few special packages to suit skiers, families and anyone wanting to enjoy a few days in Queenstown.

Short Breaks from Australia

Take advantage of regular domestic flights plus direct flights to Queenstown from Sydney, Melbourne and Brisbane and enjoy a luxurious short break with fine cuisine and wine, glorious surroundings, a roaring log fire, sauna and hydrotherapy spa.

And Qantas Frequent Flyer members receive airpoints.
